CLEAN LINES AND COZY TOUCHES
FOR FAMILY LIVING

THE MOST INTERESTING SPACES HAVE LOTS OF LAYERS—COLOR, TEXTURE, PLUS SOMETHING NATURAL, AND SOMETHING OLD OR VERY PERSONAL. THOSE LAYERS ARE WHAT BRINGS ANY ROOM TO LIFE.

No. 4

PERSONAL HAVEN

When updating an Atlanta loft kitchen, interior designer **LEAH ALEXANDER** let the owner's personality guide her design. "My client owns a yoga studio, she's a world traveler, and a big houseplant enthusiast, so we brought those influences into the space." The revamped kitchen works beautifully for entertaining and easy living, thanks to its open layout and large island topped with Britannicca Warm countertops, a classic in Cambria's design offerings.

Sourcebook
